SANITIZING SERVICES

We're available and uniquely prepared to offer home sanitizing services in accordance with guidelines provided by the Centers for Disease Control (CDC) and local jurisdictions. Services may include:

- Wiping down all high-touch areas (empty home) or every surface (occupied home)
- Spraying or misting using mechanical device
- Applying warm extract to fabrics (i.e. carpeting)

SPECIALIZED PRODUCTS

The CDC recommends usage of a labeled hospital-grade disinfectant with claims against similar pathogens to the coronavirus. While there is currently no product tested against this particular strain, our specialists use proprietary, EPA registered anti-microbial cleaners and follow all guidelines from the CDC and local authorities.
